

Rainbow Heights Club

presents a new group: “News You Can Use”

In this group, we will draw from various media (like newspapers, film, radio, internet, music, and more) to discuss current events related to mental health, LGBT experiences, housing, and ANY issues that interest us!

We will explore **WHO** decides the news, **WHY** issues are represented the way they are, and WHAT WE WANT the news to say. Maybe we will **CREATE OUR OWN** news sources!

Maybe we will take action around issues that are important to us!

IT'S ALL UP TO YOU...

THERE ARE MANY WAYS TO

USE THE NEWS!
